WORK EXPERIENCE

Front-End Intern

Proghsee Technologies

11/2022 - 05/2023

It is a service-based startup that provides Web & App development, Marketing & Content Writing, etc services and I work as a Front-End developer on different projects & I also lead a project as Project Manager.

Front-End Intern

Codesandbots

01/2022 - 04/2022

It is an Edu-Tech startup that provides learning to school students about coding where I worked as a frontend developer for the company website and also lead their frontend team.

ACHIEVEMENTS

- As a freelance front-end developer, I have successfully crafted exceptional frontends for various projects, showcasing my proficiency in creating appealing and functional user interfaces.

- Enthusiastically volunteered in a coding skills development program with Progate, actively contributing to its success.

- As a student ambassador, I proudly represent 1Stop.ai and The Entrepreneurship Network, contributing to their mission with dedication and passion.
